Notes: Sunny but a F4 breeze from the East together with the extra long rough made the course almost unplayable
 And the scores reflected the conditions - a lot in the 20s.
 Hardest 3 holes: 10th at 5.78, 12th at 5.74 and 14th at 5.62 - all par 4s into the breeze.
 But for 2 players - how did they do it?
 Only 3 pars on the 10th and 14th holes. Most blobbed these holes.
