A beautiful, pleasant, sunny afternoon to play golf. The course was in great condition with some challenging rough.

Another year with some incredibly close matches. All bar two teams made it to their respective 17th greens with two ending up all square. Therefore there was very little in it between the two teams.

Particular mention to match 5. Arran shot "one of the best rounds of golf I've ever played". Namely a gross 73 with a 12 handicap. This should have been a solid win for the Wednesday League but Diane and Jane put up a fabulous fight. The end result was ALL SQUARE.

All matches were played in a great atmosphere with relaxed, friendly, courteous and serious golf.

Well played both sides and everyone for playing.

The games were intensely fought with little between them. Past history indicates close games on the current format.

Thanks to the men and we hope the women would agree that we all look forward to next year's event.
